The Aroostook County Historical & Art Museum invites you to become a Member.

Your donation will qualify you as a "Friend of The Museum".

Friends of the Museum receive the Museum Newsletter which will keep you abreast of new items, photos and stories as well as directing you to new Museum webpages. You see it first!

We are working hard to digitize all of our collection for our website for all to access and study. Your membership will help us with this project and our summer intern.
